Recently, a French restaurant with a unique concept just opened inside the nearby mall. You get to order a delicious set meal that includes unlimited bread, mostly freshly baked!

Here's a list of the few breads they offer at their bakery:

- Mini *Croissant*
- Japanese *Ciabatta*
- Fruit Bar
- Strawberry Jam Toast
- Garlic Toast
- Sugar Roll
- *Yomogi* Roll

Whenever there are freshly baked breads, you will *definitely* know!
